26 July 2005

Dear sir/madam:

We would like to inform you that the Economic and Social Council, at its substantive session on July 2005, decided to accept your organization's request for reclassification and grant General consultative status to the International Research Centre for Environmental Structures "Pio Manzu".

Please note Council Resolution 1996/31, Part IX, paragraph 61c which requests that organizations in General and Special consultative status submit quadrennial reports on their activities for the four-year period in 2005-2008 to the Committee in 2009. You will be advised of the modalities for completing your report in due course. Meanwhile, we suggest that you maintain detailed records of your activities.

We look forward to a productive relationship with your organization and its representatives.

Sincerely yours,

Hanifa Mezoui, Chief  
NGO Section / DESA
